CHALLENGE

Application for implementation funding: timeline

May 1

June 1

September

Application released

Application deadline

Review and approval by Board

Grants announced

- **$1 Million/year** budget limit
- **Two-year** proposals

Application process

-   Submit all responses directly into the Grants Management System (GMS) under the appropriate question header

-   Be sure to respond to the questions in the application document—**not** GMS

-   Upload all required attachments into GMS

Application components

- **Report on Progress (40%).** Report on your jurisdiction's most significant accomplishments over the past year, using data to demonstrate trends in jail population, as applicable.

- **Proposal (25%).** Respond to standard proposal questions to describe how future grant funds will be used.

- **Implementation Plan (30%).** Attach a detailed implementation plan, including an anticipated timeline of activities and clear jail population impact calculations.

- **Data Use Agreement (5%).** Upload your draft DUA, along with a short statement of your good faith efforts to execute the agreement in a timely manner.

Report on progress

- Section is embedded in the application as *Question 10: Past Performance*

- Tell us about all the great work you have done in the past year!

- Use data, as appropriate, to demonstrate progress

Proposal

- Questions pertaining to your future use of funds and your proposed reform plan
- Key components:
    - Jail population reduction
    - Racial and ethnic disparities
    - Community engagement
    - Budget

Implementation plan

- Please use the Excel template provided

- Include clear impact calculations using the tab created by ISLG

- Include an anticipated timeline of activities

- Upload the file into GMS

Data Use Agreement

- Work with ISLG and your legal team to advance a draft DUA for case-level data sharing

- Upload this draft (with any edits) into GMS

- Draft and upload a short statement of the progress made so far, as a sign of good faith efforts to execute the DUA in a timely manner

Racial and Ethnic Disparities

- Review your jurisdiction's data

- Identify where problems exist

- Explore possible remedies

8

Community Engagement

Why does it matter?

Trust	Problem-solving	Accountability

Pillars of Community Engagement

1. Authenticity
2. Accessibility and Transparency
3. Respect for Diversity
4. Commitment to Ongoing Engagement
