Site Accomplishments

- Harris County's Re-integration Impact Court is underway, focusing on diversion and deferrals for low-level felony cases.
- Spokane County successfully launched the Spokane Assessment for Evaluation of Risk (SAFER) tool.
- St. Louis implemented a new Probation Technical Violation Program, leading to a significant reduction in the average length of stay for those with technical violations of probation.

Racial and Ethnic Disparities

- Review your jurisdiction's data
- Identify where problems exist
- Explore possible remedies

Community Engagement

Why does it matter?

Trust

**Problem-
solving**

Accountability

Pillars of Community Engagement

1. Authenticity
2. Accessibility and Transparency
3. Respect for Diversity
4. Commitment to Ongoing Engagement

Annual Reports

GMS opens: June 3

Due date: June 30

- Respond to the questions in the *Grants Management System*
- Upload a revised implementation plan to reflect changes to your timeline or strategies
- Upload financial report
- Execute your Data Use Agreement

Note: further funding is *contingent upon* submitting your annual report and executing your DUA.

Annual Report Questions

Funded Activities and Results

- a. Please detail below the activities you undertook using the Foundation's grant funds during the Report Period and how they accomplished the charitable purposes of the grant. In answering the question, please identify any beneficiaries.
- b. To what extent have the project's goals been accomplished?
- c. What have been the policy implications (if any) of these funded activities to date?

Annual Report Questions

Reflection

- a. What has your organization learned from the past year of implementing the funded activities?
- b. How have your funded activities changed from the original proposal to MacArthur, if at all? Why were these changes necessary?
- c. What have been the biggest challenges and/or risks to date? Have they been addressed? If yes, how? If not, why?

Annual Report Questions

Feedback

- a. What more can MacArthur do to help you advance this work?

Intellectual Property (if specified in grant agreement)

- a. Describe the grant work product, if any, produced to date.
- b. Who owns the intellectual property rights to the grant work product?
- c. How was the grant work product distributed widely and at no or minimal costs?
- d. Are any revenues expected, or were any revenues realized to date, from the grant work product?
