

The SJC Practice Inventory

What is the Practice Inventory?

The Practice Inventory is an internal database of the funded strategies deployed across the SJC’s 26 implementation site jurisdictions over the history of the initiative. You can access it in the **SJC Library** under the “Resources” tab on the SJC Exchange.

Strategies by current status

Using the Practice Inventory

The Practice Inventory will aid sites and Network partners with:

- ① Amplifying what works
- ② Sourcing stories of impact
- ③ Inspiring peer learning and collaboration
- ④ Responding to media requests
- ⑤ Memorializing work for sustainability and legacy
- ⑥ Completing research and evaluation activities
