

SELF-CERTIFICATION OF COVID-19 VACCINE STATUS

The organizers of the SJC Network Convening are committed to keeping the SJC network safe. Therefore, we are relying on everyone to do their part leading up to and during the conference. For this reason, we are requesting that you attest that you are fully vaccinated and boosted according to the [CDC guidelines](#) for your vaccine and age.

If you decline to provide this information about your vaccination status, prior to the start of the conference, we will assume you are unvaccinated, your registration will be cancelled, and you will not be permitted into the conference space.

When responding to this inquiry about whether you are fully vaccinated and boosted, please provide no more information than is requested. Please do not submit any additional medical or family history information.

All information provided is confidential and will be maintained as such and in compliance with all applicable law.
